

Dancers Give Back

8th Annual Benefit

November 8, 2015

We Need Your Help!

Approximately every four minutes, someone in the US is diagnosed with a form of blood cancer. We need your support in changing this statistic.

Become a sponsor for our annual fundraising event and help save lives

In seven years, DGB has raised in excess of \$250,000 through the generosity of community members like you. Our annual benefit brings together dance studios and families from across WNY to move together towards a cure. This inspiring afternoon consists of basket raffles, silent auctions, cakewalks, performances and dance classes.

We are asking you to become a sponsor for our 8th Annual Dancers Give Back benefit. There are 4 levels of sponsorship as detailed on the attached page. While the event is a success due in large part to the generosity of our sponsors, donations in the form of actual merchandise and gift certificates are always welcomed.

100% of proceeds from our event are donated to cancer patient support and research. Join us **today** in taking another step towards a cancer free world.

Who We Are

Dancers Give Back (DGB) is a 501(c)(3) non-profit organization comprised of over 40 WNY dance studios and local businesses.

Our mission has spread internationally, with branches in Dallas, TX and Ottawa, ON.

We are proud to donate 100% of money raised to Roswell Park Cancer Institute and the Jacquie for A.L.L. Foundation for patient support and research.

DGB was founded in memory of our dear friend Jacquie Hirsch, who lost her battle with Acute Lymphocytic Leukemia at the age of 23.
